**2024-2025
 Federal Work-Study
 Application**

Work-Study is a FEDERAL NEED-BASED program.

Information regarding the Federal Work-Study (FWS) program and your responsibilities as an employee of Haywood Community College (HCC) are listed below. Please read the following information before signing the application. The FWS program is a need based program which allows students to work part-time to help pay for education related expenses. Students may work up to 15 hours per week at an hourly rate of \$15.00. Timesheets are due in the Financial Aid Office (FAO) by 4:00 pm on the last day of the month. **If timesheets are late, the student will not be paid until the next pay period.** Once all funds for the FWS program for each academic year have been awarded, the program will be discontinued until further funds are available.

I understand the following regarding FWS:

- Students may work up to 15 hours per week.
- Students must maintain Satisfactory Academic Progress (SAP) as defined in the HCC Catalog.
- Students must prepare a work schedule for each supervisor every semester.
- **Students may not work when class is scheduled or if class canceled or when campus is closed.**
- Students must notify supervisors regarding changes to class schedules.
- Students must notify supervisors and the FWS Coordinator if they are unable to continue working.
- Students are responsible for accurately reporting time worked.
 - Timesheets must be signed by the student and supervisor.
 - The student is responsible for submitting the timesheet to the FAO by 4:00 pm on the last business day of each month.
- Student must keep all institutional information regarding students, faculty, and staff **confidential** and must not disclose such information or use it for personal gain or the gain of others.
- All applications should be turned into the FAO.
- An application does not guarantee a position.
